

Old Stories Given New Life

Please answer the questions below thoughtfully and thoroughly. You may use a format of your choice – essay, bulleted list, etc. To be effective, your assignment should be *at least 500 words* if not more. *Remember, if you don't understand what I'm looking for...ask*

1. Discuss the mythic elements in the film. What parts/ characters/ ideas/ themes of the original myth are used in the movie?
2. Why do you think the director chose to use those mythic elements? What do they add to the film? Do they update well? Analyze what makes them fit into the new story/ time period.
